Congratulations to New South Wales Winner of the Alan Moran Award 2020

In 2020 many states were impacted by the Covid-19 pandemic and collection of state entries was difficult.

However, we still managed a worthwhile digital competition. Only four states were able to enter this year and we thank them for the entries that they were able to assemble for the competition.

We wait and see what 2021 brings, but it will again be a digital competition, information will be circulated early 2021.

Congratulations to all the Place and Merit awards.

There were a great range of images submitted to the AIPC this year, and we appreciate the States that have contributed to a fine representation of their States photographers.

A digital copy of this catalogue will be provided to each State and the catalogue will be available to down-load from the APS website late August.
