**Congratulations to Roger Keagle, Winner of the
Roy Berryman Trophy for Best Image of the
Exhibition 2017**

Pensive Roger Keagle --- Victoria

In 2017 NSW had the privilege of hosting the Australian Interstate Photographic Competition, a unique and important event for all State Associations and their Camera Club members across Australia.

This year the AIPC is being run in conjunction with APSCON in Foster.

Whilst all States are encouraged to include both Digital images and Prints in each category that did not occur this year.

This year the NSW judges selected to judge the AIPC competition are some of the best in the state and bring a wide knowledge of photographic skills and judging experience to the AIPC in 2017.

There was a vast range of images this year representing the diverse range of photography across the states that entered the annual competition.

Congratulations to those who have had their image(s) selected to represent their state and our sincere congratulations to those lucky few to be acknowledged as the eventual winners.

There are many individual Herbert Medallions and Merit awards, and we also congratulate NSW on winning the Alan Moran trophy,

We give a big thank you to our judges: Patricia Beal, Dennis Jones and Leanne Alessi. We also acknowledge the support and commitment by the committee of the FCC for their contribution in making the AIPC competition a success again in 2017.

We trust that, as time goes on, states will continue to foster and build on their successes in this important competition. The AIPC is a unique opportunity to showcase the state clubs and members' efforts in the pursuit of photography.
